

The Archer's Paradox

The Monthly Newsletter of Wa-Xo-Be Archers

By Les Sandler

I don't think...Paulie and I have settled down yet. Thank you for this honor. When Glenn announced my name, he said something about hard work. Well, he was wrong. It's not work if you love what you do. Paulie told me that when he first joined Wa-Xo-Be, Lyn Durkopp welcomed him and mentored him. Made it easier to do all that heavy outdoor work. Doug thinks he suckered me into taking the task of writing the newsletter. Ha! It was the best way I could think of to give something back to the club. So, thanks Lyn, thanks Doug. And thanks to all of you, who make our efforts not really efforts, at all.

Navigator News...Ken Bagala and I will be travelling with the Navigators to Madison, Wisconsin for this year's National Junior Disability Championships.

Kudos for Matt Mancuso...Matt has done an outstanding job in maintaining the outdoor range. How do I know (I don't venture to the outdoor range – there are bugs there)? Well, I heard several people talking about how good the outdoor range is. Matt announced a coon shoot tentatively scheduled for 9/2.

It's really not for the birds...It's for us! Who doesn't like a well and personally crafted birdhouse? Please talk to Matt about crafting one. Reimbursement for materials and work hours accrued.

Wa-Xo-Be welcomes...Individual members – Yihong Li and Rohan Nampally. Adult members – Bassam Kaado, Michael Surrusco, Dan Rodrigues and Deepal Chodhari

Congratulations Ivette...On becoming the State Field Archery Association's new VP of Awards!

Clubbed unconscious...Club Day was June 17th. Matt set up targets for F/H and 3D. While it was well attended, the rain put a damper on activities. (Pretty punny, no?) Doug has asked all members who took part in the shoot to complete their round and submit the scores at the next meeting.

Important notice...Just a reminder – the Traditional League has priority to use the outdoor range on Wednesday evenings during the summer.

Passing gas...A vote was taken to grant an easement for PSE&G to run a gas line to our neighbor's property. It passed unanimously.

A bridge over troubled water...Please don't go over bridge to park near the picnic area.

Constitution(ally) speaking...Don't forget, a copy of our revised constitution available on our website.

Memorial Plaque...Tony Bennett continues to compile a list of names for be included on a memorial plaque for former members. If you know of anyone who should be included, please contact Tony at: plugh@optonline.net

We're gonna need larger shoes...Yes, folks. It's that time of year again. Black Knight Bowbenders is proud to announce this year's Bigfoot will be held on July 15th and 16th. See the attached At A Glance flyer.

And while we're talking about it...If you haven't already done so, reach out to Gene Grodzki (see next) to add you to the mailing list for his excellent newsletter. It's more expansive than this one, covering more of what's happening around the state.

CJAN! What's a CJAN?...Central Jersey Archery News. If you're interested in hearing more about archery around central Jersey, contact Gene Grodzki at: ggrodzki@optonline.net. Gene edits and distributes the newsletter and will be happy to include you on his mailing list.

Finally...Attached, you will find an application for this year's State Marked and Unmarked 3D Championships

Don't shoot at anything other than a standard target!

This isn't brain surgery. It's common sense. Shooting at cans and other non-standard targets is dangerous. Maybe not for you, but for the person who gets cut on the shard that breaks off in the butt it can be. If we catch you, you'll be disciplined! Also,

Wear your membership card! Without it you may be asked to leave!

If you are the last one to leave, please make sure the lights are put out (and PLEASE – lock the door).

Don't use the new bowpress unless you know how. It's considerably more complicated than the old one. Wa-Xo-Be is not responsible for any damage to your bow.
