

# The Archer's Paradox

The Monthly Newsletter of Wa-Xo-Be Archers

By Les Sandler

---

**Well, don't forget your red/blue glasses...** Now I wonder how many of our younger members have a clue what that means? Anyway, as our second pilot project, the 3D range on the lower half of the outdoor range is now open. Targets 16 thru 30 can now be shot any time **provided they are uncovered**. If a target is covered, it **should not** be uncovered and used. Those of you who like the idea, owe a big thank you to **Josh Sykes**. At the last meeting, Josh made an excellent presentation advocating opening the 3D range to more frequent use. As a courtesy to other archers, Josh asks that you shoot no more than two arrows before moving on to the next target.

**A most fitting remembrance...** A plaque in memory of Frank Kozielec will be placed near his favorite lane 19.

**I was hoping for video, but...** Kristina Kaye, the High Sheriff of the Tuesday Night League

doing the Walk of Shame for leaving arrows in the target inconveniencing us all!

**If a tree falls in the forest...** We learn from Lyn Duhrkopp that 65 trees have been felled throughout the outdoor range and an outdoor light which had been inconveniencing our neighbor was repositioned.

**Wa-Xo-Be welcomes...** Junior members: Maxwell Sun and Megana Gummadi. Adult members: Charles Moe and Chander and Aarushi Bandal.

**Clubbed into submission...** We're going to have another Club Day! Doug announced another Club Day scheduled for June 17<sup>th</sup>. Learning from past mistakes, this one will be catered. Tony Sanzone has volunteered to coordinate.

**I shot an arrow...** Jaime Henao has provided this link to an article on down-range arrow speed:  
<http://archeryreport.com/2011/01/heavy-vs-light-arrows-speed-power/>

**The Great Indoors...** Phil Habrukowich and a few volunteers repacked the butts. He asked that if you happen to notice anything trapped inside the butts, you let him know so that he can remove it. The rollaway butts will be done next. Our pumps have been replaced, so the restroom is functional again. Thanks, Phil! It's tough to shoot with your legs crossed!

**Didn't anyone notice...** All of the dates in the calendar of events were wrong! Or, were you just being polite? (Not this crowd!)

**Another pressing issue...** We're getting an E-Z Press with a built-in draw board to replace the difficult to use Apple Press. To make it easier and safer to use, it's going to be

March, 2017

positioned somewhere behind the shooting line (place still to be determined).

**Gluttons for punishment...**Now that the Tuesday Night League has ended, we thought it would be fun to have a short 8-week league. We're shooting a "Vegas 660" round. The Vegas 660 is in quotes as a result of the slightly twisted changes our high sheriff, Kristina Kaye has incorporated.

**Oh, shoot...**Last year's Shoot for St. Jude was a big success. So, we're doing it again. This year it will be a 3D TANJ shoot on Sept. 10<sup>th</sup>. Tony Sanzone will coordinate again.

**Higher education...**Rutgers has returned for their semi-annual visit. Their classes will again be taught the first 4 Saturdays in April (from 10am to noon).

**And...**Bill Ward will be hosting a group of 20 archers on Monday, April 17<sup>th</sup>, from 7-9pm. Members are invited to shoot along with the line.

**Constitution(ally) speaking...**Don't forget, a copy of our revised constitution available on our website.

**Memorial Plaque...**Tony Bennett continues to compile a list of names for be included on a memorial plaque for former members. If you know of anyone who should be included, please contact Tony at: plugh@optonline.net

**CJAN! What's a CJAN?...**Central Jersey Archery News. If you're interested in hearing more about archery around central Jersey, contact Gene Grodzki at: ggrodzki@optonline.net. Gene edits and distributes the newsletter and will be happy to include you on his mailing list.

## **Don't shoot at anything other than a standard target!**

This isn't brain surgery. It's common sense. Shooting at cans and other non-standard targets is dangerous. Maybe not for you, but for the person who gets cut on the shard that breaks off in the butt it can be. If we catch you, you'll be disciplined! Also,

## **Wear your membership card! Without it you may be asked to leave!**

**If you are the last one to leave, please make sure the lights are put out (and PLEASE – lock the door).**

**Don't use the new bowpress unless you know how. It's considerably more complicated than the old one. Wa-Xo-Be is not responsible for any damage to your bow.**
