

# The Archer's Paradox

The Monthly Newsletter of Wa-Xo-Be Archers

By Les Sandler

---

**Nothing is certain in this world...**Case in point – I was certain that I had corrected the calendar of events. Jen DeWacker shot holes in this balloon! Anyway, I'm certain it's correct now (famous last words)!

**The Great Indoors...**Phil Habrukowich had a bunch to report this month! The front door lock has been replaced. Please note that the mechanism is a bit stiff. You'll have to get used to exerting a little more effort to get the door open. We also have new timers on the heating units. The vacuum cleaners have been tuned up. And, we have a new bowpress. Much easier to use than the old one, it has adaptors to accommodate certain Hoyt limbs and bows that have draw stops that may interfere with the standard "fingers". It also includes a drawboard. **Note 1:** Don't use the drawboard without an arrow in place on your bow. **Note 2:** Please familiarize yourselves with the instructions (located near the drawboard) before you use the press. Finally, Phil has asked that care be taken that nothing that doesn't belong in the toilet should go in there. There are appropriate trash and waste receptacles in the bathroom for your use. Phew!

**Navigator News...**The club donated \$4000 to the Navigators helping to defray the cost of their operations. In past years, the club donated \$3000. Thanks to the big mouths (and I mean that in the very best way possible) of some of our members, it was upped to \$4K this year. Thanks to all of you for this extremely generous donation. The Adaptive Sports Clinic, held at Notre Dame High School was rained out this year. We're hoping for better weather next time around. The Tri-State Games will be held from May 26<sup>th</sup> thru 28<sup>th</sup>, with the archery event scheduled for Sunday, May 27<sup>th</sup>. It's being held at Pascack Valley High School in Hillsdale,

NJ. Volunteers should contact Ken Bagala at [ken.bagala@verizon.net](mailto:ken.bagala@verizon.net).

**Kudos for Sheriff Kaye...**Kristina Kaye, the High Sheriff of the Tuesday Night League has done a terrific job in managing all of our various trophy leagues. A new League for Retired (read: old) People will be starting in October. Kristina is looking for more participants.

**Wa-Xo-Be welcomes...**Student members: Mitchell Repack, Thomas Yip, Richa Shah and Neel Muzumdar. Adult members: Lonn Vreeland, Vijay Karthick Thangiah, Kevin & Sonja Hubbs

**What happens outside...**Matt reported that yardage markers are being replaced and that access to the 3D targets would switch each month. He also asked again for birdhouses to be built and donated. Work hours, reimbursement for materials and our gratitude to the builders!

**Clubbed into submission (pt. deux)...**Tony Sanzone is looking into a caterer for Club Day (June 17<sup>th</sup>). The day starts at 9am. Matt will be getting here earlier to set up targets. He could use some help.

**Hunters Helping the Hungry...**Josh Sykes (a budding Cecil B. deMille) took a video at the event... <https://youtu.be/ViciL47NkQo>

**Important notice...**We will be voting on allowing an easement for our neighbor to run a gas line to his house. In order to vote, your membership must pre-date June, 2012.

April, 2017

**Running out of wall space...**Nick Lazar donated two handsome plaques depicting copies of the patents for compound bows and one for arrows.

### **Salmon with Tropical Fruit Salsa**

4 Salmon steaks or fillets, about 6oz. each  
Finely grated zest and juice of one lime  
1 small, ripe mango  
1 small, ripe papaya  
1 red chile  
3T chopped fresh cilantro  
Salt and freshly ground black pepper

1. Place the salmon in a wide dish and sprinkle with half the lime zest and juice. Season with salt and pepper.

2. Cut the mango in half, cutting either side of the pit, and remove the stone. Finely chop the mango flesh and place the pieces in a bowl.

3. Halve the papaya, scoop out the seeds with a spoon and remove the peel. Finely chop the flesh and add it to the mango chunks in the bowl.

4. Cut the chile in half lengthwise. Leave the seeds in to make it hot and spicy, or remove them for a milder flavor. Finely chop the chile.

5. Combine the mango, papaya, chile and cilantro in a bowl and stir in the remaining lime zest and juice. Season to taste with salt and freshly ground black pepper.

6. Cook the salmon on a medium grill for 5 – 8 minutes, turning once. Serve with the fruit salsa.

**Constitution(ally) speaking...**Don't forget, a copy of our revised constitution available on our website.

**Memorial Plaque...**Tony Bennett continues to compile a list of names for be included on a memorial plaque for former members. If you know of anyone who should be included, please contact Tony at: [plugh@optonline.net](mailto:plugh@optonline.net)

**CJAN! What's a CJAN?...**Central Jersey Archery News. If you're interested in hearing more about archery around central Jersey, contact Gene Grodzki at: [ggrodzki@optonline.net](mailto:ggrodzki@optonline.net). Gene edits and distributes the newsletter and will be happy to include you on his mailing list.

## **Don't shoot at anything other than a standard target!**

This isn't brain surgery. It's common sense. Shooting at cans and other non-standard targets is dangerous. Maybe not for you, but for the person who gets cut on the shard that breaks off in the butt it can be. If we catch you, you'll be disciplined! Also,

## **Wear your membership card! Without it you may be asked to leave!**

**If you are the last one to leave, please make sure the lights are put out (and PLEASE – lock the door).**

**Don't use the new bowpress unless you know how. It's considerably more complicated than the old one. Wa-Xo-Be is not responsible for any damage to your bow.**
