

The Archer's Paradox

The Monthly Newsletter of Wa-Xo-Be Archers

By Les Sandler

Vote early, vote often...No! No! No! Just vote once. This year, a lot will be riding on your vote. It's been a while, but we have three openings on the Executive Committee – President, Vice-president and Indoor Range Captain. Doug, with his new responsibilities as NFAA VP will be giving up his seat as president, while Jean and Phil Habrukowich will be relocating out of the area. Bill Ward will be accepting nominations from the floor for positions on the 2018 Executive Board. Bill will also be accepting the names of anyone who wishes to run for Trustee. There are openings for two members. **Correction:** In an email last week I referred to the election as for the **2019** Executive Board. It's for the **2018** Executive Board.

Navigator News...Practice continues. If you've been around Navigator practices, you will have seen Sachi Keane (More about her another time.) In any case, Joanne - Sachi's mother - arranged for the donation of a Prime target bow for Miguel's use.

Wa-Xo-Be welcomes...Student and Junior members – Joey McGinnis, Rebecca Hupp and Sean Lee. Family – Boris, Vera and Isabelle Borchevsky and Eric Borshchevsky.

Important notice(s)...Phil Habrukowich has sent a part of the bowpress (drawboard) back to Last Chance Archery for repair. It's since been returned. Please familiarize yourself with its use by referring to the printed instructions or visit: LastChanceArchery.com. Please don't high draw! Phil is not a fan of patching arrow holes in the ceiling. If you're looking to pick up a few additional work hours before year's end – pick up a broom or vacuum (both in the furnace room) – an easy half hour. He'll also be installing additional USB ports near the phone. Also, there will be a work party at the beginning of December to repack the butts.

Oh captain, my captain...Matt has advised us that the outdoor range will be open to members only during the winter months. New target markers have been installed. Signs showing which side of the range is open for 3D were made by Joe Bianco. Matt has also

established a Facebook page featuring outdoor range activities.

The Feds are coming...Our Federation Representative, Tony Sanzone has Federation calendars for 2018. They're \$3 each. Also, hunters now have a new resource: Darren Doran (a licensed tracker) will help you find a lost deer for a donation.

A shoot to call our own...The first (hopefully) annual Red Hawk Shoot will be held on June 10th. More details as they become available.

Important notice(s)...Even if they're not yours, please clear away any empty/half empty cans or bottles, wrappers, sandwiches, etc. Try to leave the range cleaner than you found it.

Constitution(ally) speaking...Don't forget, a copy of our revised constitution is available on our website.

Memorial Plaque...Tony Bennett continues to compile a list of names for be included on a memorial plaque for former members. If you know of anyone who should be included, please contact Tony at: plugh@optonline.net.

The Great Indoors...Ivett is looking for a few more coaches to oversee Friday night's open shoot. Please contact her at the range on Friday night or at: Ivettb@optonline.net.

CJAN! What's a CJAN?...Central Jersey Archery News. If you're interested in hearing more about archery around central Jersey, contact Gene Grodzki at: ggrodzki@optonline.net. Gene edits and distributes the newsletter and will be happy to include you on his mailing list.

WiFi? Wi not?...The WiFi discussion was tabled until the upcoming meeting.

Marcella Hazan's Butter, Tomato and Onion Sauce

This is soooo easy and soooo good! I've adjusted the measurements (slightly) to make life easier (for me).

1 can (28oz.) whole peeled tomatoes with their juice, coarsely chopped (I use crushed tomatoes)*

1 medium sweet yellow onion

6T butter

1¼ tsp. salt

*You can substitute 2lbs. of fresh tomatoes for the canned. If you do, peel them and coarsely chop them.

Trim both ends of the onion; peel it and cut in half lengthwise.

Put all of the ingredients in a 4-5 quart saucepan over medium heat. When the tomatoes begin to bubble, lower the heat to a slow but steady simmer. Cook, stirring every 10 to 15 minutes, until the tomatoes are no longer watery and the sauce has reduced, about 45 minutes depending on the size and shape of the pot. The sauce is done when the butter is separated from the tomatoes and there is no remaining liquid.

Note: When you toss pasta with the sauce, add about 1/3 cup freshly grated Parmigiano-Reggiano.

Don't shoot at anything other than a standard target!

This isn't brain surgery. It's common sense. Shooting at cans and other non-standard targets is dangerous. Maybe not for you, but for the person who gets cut on the shard that breaks off in the butt it can be. If we catch you, you'll be disciplined! Also,

Wear your membership card! Without it, you may be asked to leave!

If you are the last one to leave, please make sure the lights are put out (and PLEASE – lock the door).

Don't use the new bowpress unless you know how. You will find printed instructions for its use near the press or view a video at the LastChanceArchery.com website. Wa-Xo-Be is not responsible for any damage to your bow.
